RENEE GEHRING EARNS CFE CREDENTIAL

Louisville, KY (October 8, 2014) – The Association of Certified Fraud Examiners (ACFE), the world's largest anti-fraud organization and leading provider of anti-fraud training and education, recently awarded Renee Gehring, Supervisor with DMLO CPAs, the globally preferred Certified Fraud Examiner (CFE) credential. In order to become a CFE, Renee passed a rigorous exam and successfully met the ACFE's character, experience and education requirements, demonstrating knowledge in four areas critical to the fight against fraud: Fraudulent Financial Transactions, Fraud Prevention and Deterrence, Legal Elements of Fraud and Fraud Investigation.

CFEs have the ability to: examine data and records to detect and trace fraudulent transactions; interview suspects to obtain information and confessions; write investigation reports; advise clients as to their findings; testify at trial; understand the law as it relates to fraud and fraud investigations; and identify the underlying factors that motivate individuals to commit fraud. CFEs have a unique set of skills that are not found in any other career field or discipline; they combine knowledge of complex financial transactions with an understanding of methods, law, and how to resolve allegations of fraud. CFEs on six continents have investigated more than 1 million suspected cases of civil and criminal fraud.

Renee is a CPA with over 5 years of experience practicing public accounting in the Louisville area. She earned a Bachelor of Science degree in Business Administration with an option in Accounting from Sullivan University. Renee is a member of the Forensic Accounting Niche.
